PERSONAL INFORMATION

Date of Birth: April 27, 1999
Marital Status: Single
Visa Status: Available for Immediate Joining
Nationality: Nepali
Gender: Male
Languages: English, Nepali, Hindi

PROFESSIONAL SUMMARY

Motivated and detail-oriented Civil Engineering graduate (BE, CGPA 3.23/4.00, Pokhara University) with a Diploma in Civil Engineering with Distinction (81.21%). Possesses practical field experience gained through government and private sector roles in site supervision, structural drafting, topographic surveying, and cost estimation. Certified in AutoCAD Civil 3D, SketchUp, and GIS. A quick learner who is eager to apply technical knowledge to large-scale construction and infrastructure projects. Available for immediate joining and open to relocation.

PROFESSIONAL EXPERIENCE

Sub-Engineer

R.S.S. Engineering Consultancy Pvt. Ltd. | *July 2019 – November 2020* | *Nepal*

- Prepared building designs, structural surveys, and detailed cost estimates for infrastructure projects
- Supervised construction of rural roads, small-scale irrigation systems, and residential/commercial buildings
- Operated as drafter and field surveyor across multiple concurrent projects
- Enforced site safety regulations and ensured compliance with engineering standards
- Managed project documentation, progress reporting, and quality control

Sub-Engineer (Contract)

Kamalamai Municipality – Office of Municipal Executive | *February 2019 – July 2019* | *Sindhuli, Nepal*

- Executed three local road projects from initial survey through design to final completion
- Designed and supervised construction of community structures including public meeting hall and sanitation facilities
- Conducted field monitoring and quality assurance for municipal development programs
- Managed repair and maintenance of drainage systems, roads, and cultural heritage structures
- Coordinated directly with community stakeholders to ensure project alignment with local needs

Junior Supervisor

Kamalamai Municipality – Planning Branch | *February 2018 – June 2019* | *Sindhuli, Nepal*

- Conducted field inspections and supervised construction programs under the Road & Infrastructure Sub-Branch
- Monitored progress and reported on municipal construction projects
- Worked on contingency fund basis supporting multiple development initiatives

Assistant Sub-Engineer – Surveying

A.E.A. Engineering Consultancy Pvt. Ltd. | *September 2025* | *Lalitpur, Nepal*

- Conducted topographical survey for a 3.35 km irrigation canal alignment (Nakkale Phant Irrigation Project)
- Operated dumpy level and precision measuring instruments; managed field manpower and data collection

EDUCATION

Bachelor of Engineering – Civil Engineering (BE)

Madan Bhandari College of Engineering, Pokhara University | *2021 – 2025* | *CGPA: 3.23 / 4.00*

Specializations: Structural Analysis & Design, Hydropower Engineering, GIS, Construction Project Management, Foundation Engineering, Irrigation & Sanitary Engineering

Diploma in Civil Engineering

Manmohan Memorial Polytechnic, CTEVT | *2016 – 2019* | *Distinction – 81.21%*

Key subjects: Surveying, Highway Engineering, Structural Design & Drawing, Estimating & Costing, Irrigation Engineering, Construction Management

TECHNICAL SKILLS

Design & Drafting Software:

- AutoCAD Civil 3D
- ZWCAD 2026
- AutoCAD 2021
- SketchUp
- GIS / Geographic Information System
- Technical Drawing & Drafting

Programming & IT:

- Python Programming
- C / C++ Programming
- MS Excel (Intermediate)
- MS Word & PowerPoint

CERTIFICATIONS & TRAINING

- **Civil 3D Essentials for Complete Beginners** — SourceCAD (Autodesk Partner) (2024)
- **Technical Drawing for Design and Drafting** — Autodesk (2023)
- **AutoCAD Civil 3D – Essentials** — Autodesk (2023)
- **SketchUp Fundamentals** — SketchUp (2021)
- **Construction Safety and Health** — Alison (2021)
- **Earthquake Resistant Building Construction (ToT)** — National Reconstruction Authority & Nepal Red Cross Society (2018)
- **Introduction to Procurement Services** — UNICEF (2021)
- **Python Programming** — Great Learning (2021)
- **Introduction to Data Science** — Great Learning (2021)

KEY PROJECTS & RESEARCH

- Research: Fermented Banana Stem as Concrete Admixture — Sustainable construction materials study, Pokhara University (2021–2025)
- Academic Project III (8th Semester) — Achieved highest SGPA 3.78; involved construction management and GIS application
- Diploma Major Project — Structural design and detailing of the Civil Engineering Department building at Manmohan Memorial Polytechnic
- Freelance Design Projects — Residential buildings, roads, and bridge structures (AutoCAD/ZWCAD), completed during BE studies
- College Technical Exhibitions — Participant, MBCOE Aagamana 2.0 (2081) and Aagamana (2080)
